

# The Halachos of a 3 walled סוכה

1. Concept of **חלל** - A space of 3 סמ"ט is considered "walled".
2. Concept of **צורת הפתח** - Door frame is considered a complete wall (even 2 posts with string)
3. A סוכה must have **3 walls**, of which one can be a סמ"ט only.
4. The min. size of a סוכה is **7 x 7 טפחים**.

Therefore, putting it all together:
